

ACADEMIC INTERNATIONAL SCHOOL

REF: Circ.AIS.24-25/07

3rd December 2024

Dear parents,

Subject: NHIF Health Insurance Scheme for students

[NHIF BIMA KWA WANAFUNZI]

Greetings! We would like the esteemed parent community to be notified that the school has been receiving requests for assistance in registering students for the **NHIF Health Insurance Scheme for students - NHIF BIMA KWA WANAFUNZI** from a few parents. It has been brought to our attention that the insurance scheme enrolment becomes most economic if it is done through the school which a student is enrolled in. Following the request from parents, the school has done its research and has realized that in order to initiate the program, there should be a minimum number of students who will be registered through the institution. As an initial step, the school has decided to reach out to the parent community to identify the exact number of students who would like to be registered through the school for NHIF Health Insurance Scheme for students on payment of the required premium amount as well as the administration cost determined by the school annually. In this regard, kindly fill in the details given in the following information sheet to assist the school in collecting all the required information which will help the school in the decision making on the same. We request you to send the duly filled in information sheet to respective class teachers on or before Friday, 6th December 2024. We remain grateful for your continued trust and collaboration.

Warm regards,

Deepika Negi
Principal, AINS & AIPS

Shyama Santhosh
Principal, AISS
