Circular to Parents of Nursery and Primary School students

Subject: School fees and transport fees for the school term covering the period from 28th April – 13th June 2025

Classes for the school term covering the period from 28th April – 13th June 2025 will start on Monday, 28th April 2025. **Parents are informed that the transport fee and the school fees for the term mentioned above must be paid one week before the commencement of the term.** For your reference, the fees structure for the school year 2024 - 2025 is attached to this circular.

Banking details

For Primary School and KG students, fees should be paid into account number 01J1095493600 at CRDB Bank. The school account is held at Mlimani City Branch.

Please note:

- There will be no reminders for unpaid fees.
- **Students who will not have paid their fees in full by the deadline will not be allowed to attend class.**
- **Partial payment of school fees will not facilitate students' access to the school premises.** Parents should therefore bring their children to school only after fees are paid in full.
- Students who will not have paid the school fees and transport fees in full will not be allowed to use school transport.
- All fees should be paid at the bank; cashiers will not accept cash payments at school.
- It is mandatory that while making the payment, **depositor's details should be the name and class of the student** for ease of reconciliation.
- **The bank pay-in slips/transaction evidence, which indicates the student's full name and grade or class, shall be taken as proof of payment.**
- Once the payment is done, parents must present the originals of the bank pay-in slips/transaction evidence to our cashiers, in order for the cashiers to issue official receipts.
- The money can be deposited at any CRDB Branch, but parents must ensure that the money is deposited into the correct bank account for the respective school. Making deposits into the wrong account confuses school accounts and may deny your child entry into class until the confusion is sorted out.

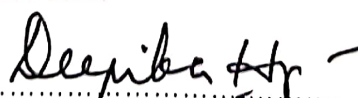

School hours

Please note that the following are the official school hours:

**Pre-Kindergarten and Kindergarten
Grades I to Grade VII**

**7:45 a.m. to 11:30 a.m.
7:45 a.m. to 2:15 p.m.**

Please note that all students are urged to maintain punctuality and to report to school ten minutes before the beginning of classes. Students reporting late to school will be denied entry on to the school premises. All students using private transport must be collected from school by quarter of an hour after the end of the official school hours.

A student who does not pay fees within the prescribed time limits may be withdrawn from class and taken off the School Register. A student thus removed from the school register shall be required to make a new application for admission, should she/he wish to be re-admitted to the school.

In addition to being withdrawn from class, the school may withhold school reports, certificates and academic credits of a student whose financial accounts with the school are not fully settled.
